Background

Line managers are one of the first lines of defence when it comes to health and safety management. All too frequently a manager's understanding is just assumed and very little training is provided. *Safety for Line Managers* aims to change that.

Safety for Line Managers is an engaging, modular e-learning course that can be completed over a number of sittings. It is fully customisable and designed to incorporate all of the policies and procedures your managers need to know to help keep your workplace injury free.

Safety for Line Managers can be used as a standalone solution however, when it is used alongside *Health & Safety Induction* it becomes a powerful tool to encourage culture range across your entire organisation.

Management features

Safety for Line Managers is fully supported by PACE, Cardinus' powerful management module. Features include:

- Easy-to-use risk assessment scoring to help identify employees at risk.
- Tools to monitor training records and identify your employees who have successfully completed their training. PACE will also identify your employees who have not started or not completed their training.
- Advanced automated email capability to encourage participation
- Task led approach to help you evidence how issues have been resolved.
- Charting and sophisticated statistical reporting.
- Fully SCORM compliant

OBJECTIVES

On completion of *Safety for Line Managers* delegates will be able to:

TOPICS COVERED

- An overview of safety law and relevant policies
- What is safety induction
- The role of the line manager in preventing accidents
- How to gain competency in your role
- Emergency techniques including evacuation procedures
- Fire aid and reporting accidents and near-misses
- Use and maintenance of work equipment and dealing with defective equipment
- Good housekeeping standards.
- Ensuring staff follow good DSE principals
- Tackling stress at work.
- Helping offsite staff avoid hazards and drive safely
- Use of telephone
- How to assess and mitigate risk

DURATION

Approximately 1 hour

COST

Safety for Line Managers represents great value for money. Licences vary from £3 - £30 depending upon the number of delegates. Please call Cardinus for more details.
